800 mm ø	15 m	SB-Public-800
1000 mm ø	22 m	SB-Public-1000

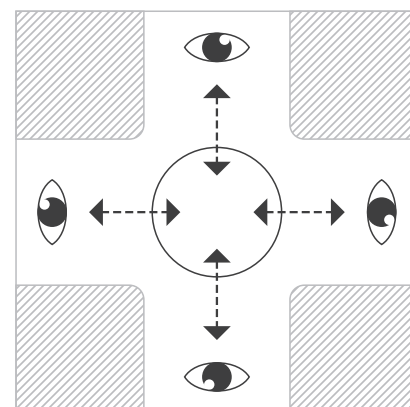

SecuView Dome360

4-way inspection mirror for indoor use

Hemisphere-shaped panoramic mirror made of acrylic for a 360° all-round view. Brilliant reflection thanks to a precise, uniform curvature. An efficient, effective, and space-saving solution for increased safety in areas with limited visibility (warehouses, production, retail).

- Acrylic material
- 360° view
- Brilliant image quality
- Three sizes
- Two mounting options:
Ceilingmounted (screw fixing)
or suspended
- Nylon cord for suspension
included

Size	Max distance	Item no.
600 mm ø	6 m	SB-Dome360-600
800 mm ø	8 m	SB-Dome360-800
1000 mm ø	12 m	SB-Dome360-1000
